

Fire Procedures

Should the fire alarm go off please make your way out of the building following the fire exit signs. All rooms in the school have a fire exit plan displayed on the wall. Depending upon where you are when the alarm sounds the evacuation point is on the playground facing the fence/street.

Please make yourself known so that we are able to account for your presence.

Health & Safety

First Aid

First Aid kits are located in all Classrooms in the staffroom and in the school office. Please speak to a member of staff should you require a First Aider.

Housekeeping

Health & Safety is the responsibility of all individuals. Please work with us to maintain a healthy and safe environment by informing the school office of any issues and exercising good standards of housekeeping.

Statutory requirements

The single most important duty of anyone visiting or volunteering at our school is ensuring the safety of our children. Not only are these statutory obligations, we want to ensure that we create a positive, caring and safe environment in which to learn.

So, a condition of being welcomed as a visitor/volunteer in our school is that we expect you to support the school in ensuring that our children are protected at all times.

To do this we ask you to:

- **Make sure you know who the Designated Safeguarding Lead is in school.**
- **Be aware of the ways you can report any concerns you may have.**
- **Agree to abide by our Code of Conduct for visitors and volunteers.**

The key information is in this leaflet but please look at our website or speak to the DSL for further information if you need it

The different types of abuse children can suffer are:

- Physical abuse
- Emotional abuse
- Sexual abuse
- Neglect

What do I do if a child discloses that they are at risk?

- React calmly
- Listen carefully to the child, particularly what is said spontaneously
- Do not promise confidentiality. Explain to the child that you may need to pass on the information if you are worried about their safety.
- You may clarify your concern using:
“What happened? Where did it happen?
When did it happen? Who was there?”
but as soon as your concern is confirmed ask no further questions as you could compromise further enquiries. Only trained staff should question a child.
- Reassure the child that they have done the right thing.
- Pass this on to the Designated Member of Staff for Safeguarding immediately.
- If trained use My Concern to record carefully what the child says in their words including how and when the account was given.
- Remember to complete date, time and action taken.

Code of Conduct

We expect you to:

- Sign in to school when you arrive, sign out when you leave & wear your identification badge at all times
- Act as a positive role model at all times, displaying high standards in the use of language, manner punctuality and preparation
- Keep information confidential
- Inform the teacher of any inappropriate behaviour
- Report any concerns about the welfare of any member of our school community.
- Follow the instructions given to you by the class teacher, if you are working with children and respect the guidance of the teacher at all times.
- Avoid any situation where you are working alone with a child, out of sight of school staff.
- Never share personal information such as telephone numbers, email addresses or social media contacts with a child. If a child tries to share their details with you, you should inform the class teacher as soon as possible.
- **Mobile phones should not be used in our school (this includes Smart watches),** unless within the staffroom/office with permission from the Headteacher or Office.
- Photographs or videos should never be taken on a personal device.
