

The Gift of the Nile

Welcome Back!

I hope you all enjoyed a lovely summer together.

Please find attached an overview of the English and Maths learning that the Year 1 children will be covering with me in the mornings. Also attached is some guidance over letter formation- a focus for us this term as the children settle into the new expectations for writing.

I will be setting some Homework each week on a Thursday that you can support your child with at home. This will be a small familiar task for both English and Maths. It is intended as revision of the work we have done together in the week.

Your child has the opportunity to change their home reading book every day and I will remind them each morning of this opportunity.

If you have any questions or want to discuss anything please do come and find me first thing in the morning on the playground.

I look forward to supporting your child in the next stage of their learning.

Thank you for your support.

Mrs Douglas
