

Blakesley CE Primary School

Accessibility Policy and Plan 2022-2025

Introduction

It is a requirement under the Equality Act 2010 that schools have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. This means that “schools cannot unlawfully discriminate against pupils on the grounds of sex, race, disability, religion or belief and sexual orientation”.

According to the Equality Act 2010 a person has a disability if:

- (a) He or she has a physical or mental impairment, and
- (b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

The Local Governing Body is responsible for ensuring the implementation and resourcing of the Plan and for reviewing the Plan.

Blakesley CE Primary School is committed to providing an accessible environment which values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs.

The school will also remove or minimise any potential barriers to learning allowing all children to achieve and participate fully in school life.

Blakesley CE Primary School will challenge negative attitudes about disability and accessibility and developing a culture of awareness, tolerance and inclusion.

The Physical Environment

The Accessibility Plan includes measures to improve access to the physical environment of the school as necessary. This may involve making reasonable adjustments to the school and providing aids to assist access where appropriate.

Curriculum

The Plan also includes measures to increase access to the curriculum for children with disabilities to ensure that they are equally prepared for life as children without disabilities. As well as teaching and learning, this includes access to the wider curriculum such as access to after school clubs and participation in school visits. This may involve the provision of specialist aids and equipment where necessary.

Written Information

The Plan also includes measures to improve and make reasonable adjustments to the delivery of written information relating to the school and school events.

Disabilities within Blakesley CE Primary School

The school has children with a limited range of disabilities, of which the staff and governors are fully aware. When children enter school with specific disabilities, the school meets with the parents, professionals and other relevant bodies to ensure a smooth transition.

For all children that have medical needs a care plan is agreed with their parents or carers.

We have a few children who have asthma and some children with allergies or food intolerances, some of these are serious and require Epipens to be kept on site. A health care plan will be used for pupils with a Epipen, this will be provided by the local surgery.

All first aiders hold current certificates including Paediatric first aiders.

All medication is kept in the staffroom, office or the classroom. It is kept in a secure place which is easily accessible for First Aiders and staff members. All inhalers are kept in plastic wallets with the child's care plan in a green class tray within the classroom. The green trays are taken to PE/school events when children working outside of the classroom. Records are kept and reported to parents when used in line with our School Asthma Policy. Administration of other medicines require consent forms that are filled in by parents outlining the illness and amount and time of medication. All medication that is given is recorded.

Review of the Plan

The Accessibility Plan will be reviewed every three years and therefore the current plan will be reviewed in 2025.

Reviewed: July 2022

Accessibility Plan 2022-2025

EQUALITY AND INCLUSION

Targets	Strategies	Outcome	Timeframe and Responsibility
To ensure that the Accessibility Plan is annually reviewed by FGB	Clerk to the Governors to add to agenda as required.	Plan reviewed. Legislation adhered to.	Headteacher (annual)
